**Transition examination open to all qualified employees of the New York State Department of Motor Vehicles.**

**Minimum Qualifications:** On or before July 13, 2024, you must be a qualified employee of the New York State Department of Motor Vehicles and have had three months of permanent competitive, non-competitive NY HELPS\*, or 55-b/55-c service as a Supervising Motor Vehicle Representative 1 or Supervising Motor Vehicle Representative 2.

Only the title or titles listed are qualifying.

*If you were permanently appointed to a qualifying title on or before April 13, 2024, and have served continuously in this title since that date, you are eligible to file for this examination.*

*\*If you were permanently appointed via the New York Hiring for Emergency Limited Placement Statewide (NY HELPS) program to a qualifying title in the non-competitive class on or before April 13, 2024, and have served continuously in this title since that date, you may apply for this examination.*

**Qualifying Experience For Appointment From The Eligible List:** After one year of service described in the Minimum Qualifications, successful candidates will be qualified for appointment from the eligible list.

Employees appointed via the NY HELPS program to a qualifying title in the non-competitive class will have their names restricted from appointment from the eligible list until their position is covered-in to the competitive class by action of the New York State Civil Service Commission or otherwise obtain permanent competitive status in the position.

**Duties:** As a **Motor Vehicle Field Operations Specialist 1**, you would work independently, or as a member of a team, to develop and deliver training and provide procedural/technical assistance to DMV state and county office personnel on examination of applications and supporting documents; processing driver licenses and registrations; cashiering and entry of information to create license and registration/ownership records; courtroom procedures; and entry of pleas, convictions, and license sanctions. You would assist in developing training material and publications, conduct on-site management audits of local offices to ensure an optimum level of service to the public, and provide instruction in the proper operation and maintenance of the system's hardware and software. You would provide technical support for a variety of systems used in Central, State/County or Traffic Violations Bureau offices, online procedures, internet transactions, and the Operations System Implementation & Development website, etc. You would provide on-site and central office expertise in the design and implementation process for new and revised programs or initiatives that impact issuing or Traffic Violations Bureau offices. You would provide oversight of office personnel while providing training at a training center or on field assignment, or through online tutorials; you may interact with county clerks, regional managers, district directors, division directors, and executive management on sensitive matters.

- Note:**
- **Travel Requirements:** Appointment to certain positions requires extensive travel within an area of assignment. Appointees may need to operate a motor vehicle or have other means to meet the transportation needs of the job. If the position requires that you operate a motor vehicle, you must continuously have a driver's license valid in New York State to continue employment. Field work and travel expenses are reimbursed on a fixed schedule. Overnight travel may be required.

**Subject of Examination:** To be considered for appointment to this title, you must pass the **multiple-choice test**. The **multiple-choice test** evaluates your knowledge, skills, and/or abilities in the following areas:

1. **Ensuring effective inter/intra agency communications** - These questions test for understanding of techniques for interacting effectively with individuals and agencies, to educate and inform them about topics of concern, to clarify agency programs or policies, to negotiate conflicts or resolve complaints, and to represent one's agency or program in a manner in keeping with good public relations practices. Questions may also cover interacting with the staff of one's own agency and/or that of other agencies in cooperative efforts of public outreach or service.
2. **Preparing written material** - These questions test for the ability to present information clearly and accurately, and to organize paragraphs logically and comprehensibly. For some questions, you will be given information in two or three sentences followed by four restatements of the information. You must then choose the best version. For other questions, you will be given paragraphs with their sentences out of order. You must then choose, from four suggestions, the best order for the sentences.
3. **Principles and practices of staff development and training** - These questions test for the knowledge and abilities used to develop and deliver training. They address topics such as the assessment of training needs; instructional design; training methods and techniques; the use of training aids, materials, and technology; motivation; learning theory; classroom management; the evaluation of learning outcomes; and the usage of training-related data.
4. **Understanding and interpreting written material** - These questions test for the ability to understand and interpret written material. You will be presented with brief reading passages and will be asked questions about the passages. You should base your answers to the questions **only** on what is presented in the passages and **not** on what you may happen to know about the topic.

If you pass, your seniority credit(s), if any, will be included in the computation of your final score. Your final score on the eligible list will be determined after adding any wartime Veterans' credits.

**Credit For Seniority:** Seniority is credited at the rate of one credit for each five-year period (or fraction thereof), excluding the first year of service.

**Admission To The Test:** If approved for a multiple-choice test, you will receive an admission notice which will indicate your assigned test date and the way your test will be administered. Your test may be administered with paper and pencil or online at a state test site using a state-provided Chromebook. **You cannot request to change your scheduled day or request a specific type of test administration.**

**Applicants are required to have a Personal NY.gov account and keep their email address up to date.** The Department of Civil Service and other state agencies will communicate with you through email correspondence. This may include notification of your application status, your test arrangements, examination results, and canvassing you for interest in appointment.
