June 2002

# Report

FOR EMPLOYEES OF THE STATE OF NEW YORK  
REPRESENTED BY DISTRICT COUNCIL 37

And for their enrolled Dependents

And for COBRA Enrollees with their Empire Plan Benefits

## Click on Our New Look

NYS OnLine,  
the health  
benefits section  
of the New  
York State

Department of Civil Service  
Web site, has a new look. Go to  
[www.cs.state.ny.us](http://www.cs.state.ny.us) and click on  
Employee Benefits. You'll now find  
faster page response and a site-wide  
search function. This up-to-date  
resource for your NYSHIP and  
Empire Plan benefits offers recent  
publications, a directory of agency  
Health Benefits Administrators'  
numbers and other important  
telephone numbers. The site meets  
universal accessibility standards  
adopted by New York State for  
New York State agency Web sites.  
If you don't have computer access  
to the Internet, visit your local  
library. Most libraries have  
computers linked to the Internet.

## Asthma Management

### Asthma Management Program

The Empire Plan now offers the  
Asthma Management Program,  
also called Managing for Tomorrow.  
If you or your dependents have  
received recent treatment for  
asthma or asthma-related  
respiratory problems, you may  
be invited to participate in this  
program. Participation is voluntary,  
free of charge and confidential. If  
you agree to participate, you will  
receive information to help you  
understand your condition. You will  
also be offered educational  
materials and other services.

The Asthma Management Program  
began January 1, 2002 and is  
available to Empire Plan enrollees  
through United HealthCare. With  
the introduction of this new  
program, the Empire Plan now  
offers two disease management  
programs through United  
HealthCare: the Cardiovascular  
Risk Reduction Program and the  
Asthma Management Program.

### Reporting On Asthma

This *Empire Plan Report* includes a  
special insert, *Reporting On Asthma*.  
The insert offers information about  
the chronic disease that affects 17  
million Americans.

## Allergy Serum

Effective January 1, 2002, you  
have no copayment for allergy  
serum dispensed by an Empire  
Plan participating physician to be  
administered to you by another  
party in another setting. The  
Empire Plan will reimburse the  
provider directly for the allergy  
serum according to the network  
schedule; you will have no  
additional costs.

Before this change, such serum,  
called "take-away" serum, was  
considered under the Basic  
Medical Program, subject to  
deductible and coinsurance.

## New Phone Number Cards

We've enclosed  
four new Empire  
Plan telephone  
number cards  
for you and  
your family  
within this  
Report. If you  
need more  
cards, please  
contact your agency Health  
Benefits Administrator.

# ValueOptions Clinical Referral Line

The Empire Plan Mental Health and Substance Abuse Program provides comprehensive coverage for mental health and substance abuse care. But before you seek mental health or

substance abuse care, including treatment for alcoholism, you must call ValueOptions' Clinical

Referral Line at 1-800-446-3995. The Clinical Referral Line is available 24 hours a day, every day of the year.

When you call ValueOptions, select the menu option for referral to a mental health or chemical dependency professional. An experienced mental health and substance abuse clinician will be there to help you.

The clinician will talk with you and assess whether you need routine, urgent or emergency care. If you feel your need is urgent or an emergency, tell the clinician; the clinician will accept your assessment.

The clinician will then provide you with names and phone numbers of three network providers. If you do not have access to a network provider, the clinician will arrange for you to receive network benefits with a non-network provider in your area.

- If the need is routine, an appointment should be available to you within seven days of your contacting the provider.

- If the need is urgent, an appointment should be available to you within 24 hours of your contacting the provider.
- If you need emergency care, ValueOptions will have a provider call you within 30 minutes or will direct you to an appropriate facility for treatment.

If you have any difficulty scheduling an appointment with one of the recommended providers, call ValueOptions again at 1-800-446-3995. A referral line clinician will be there to help you.

In a life-threatening situation, go to the nearest hospital emergency room for treatment.

You must call ValueOptions within 48 hours after an emergency hospitalization to ensure maximum benefits for any inpatient days in excess of those required to provide emergency services.

## The Empire Plan and Subrogation

### What is subrogation?

Sometimes, claims for health care services are submitted to the Empire Plan for reimbursement and paid by the Plan when, in fact, these expenses are the liability of another party. When the Plan pays for these expenses, it may have the right to seek repayment from the third party legally responsible for the injury or illness. This recovery process is known as subrogation.

### What are examples of third party liability?

Expenses resulting from work-related injuries and illnesses are usually the responsibility of Workers' Compensation insurance; expenses for injuries resulting from a motor

vehicle accident may be the responsibility of an automobile insurer; expenses for an injury resulting from the wrongful acts of a third party may be the responsibility of another insurer.

### What is HRI?

In the past, each Empire Plan carrier managed subrogation individually. Now, the Empire Plan hospital and medical carriers (Empire Blue Cross and Blue Shield and United HealthCare) have contracted with Healthcare Recoveries, Inc. (HRI) to administer certain recovery efforts. If the Empire Plan has paid claims on your behalf that appear to be the liability of a third party, HRI may send you a letter asking for information about those claims.

### What if I receive a letter from HRI?

If you receive a letter from HRI, please respond as directed. Even if you think no other party is responsible for your claim, please provide the requested information. HRI needs the information to determine the Empire Plan's liability.

### Why should I contact HRI?

When you answer your letter from HRI, you may be helping the Empire Plan recover monies that are the liability of another party. This process is one way the Empire Plan keeps your health insurance premiums as reasonable as possible.

# Centers of Excellence for Transplants Program

The Empire Plan Centers of Excellence for Transplants Program offers a paid-in-full benefit for the following types of transplants: bone marrow (inpatient and outpatient), peripheral stem cell, cord blood stem cell, heart, heart-lung, kidney, liver, lung, kidney-pancreas. Reimbursement for travel expenses related to a covered transplant may also be available to Program participants. Participation in the Program is voluntary.

The enhanced benefits under the Program are available only when you are enrolled in the Transplants Program, the Empire Plan is your primary coverage and your transplant services are pre-authorized by Empire Blue Cross and Blue Shield.

You must call Empire Blue Cross and Blue Shield at 518-367-0009 (Albany area and Alaska) or 1-800-342-9815 (NYS and other states except Alaska) for pre-authorization of the covered services.

If you do not use the Transplants Program, you are still eligible for Empire Plan benefits for your medically necessary transplant. You must call Empire Blue Cross and Blue Shield at 518-367-0009 or 1-800-342-9815 for pre-admission certification of admission for transplants. And, you will have to pay any applicable deductible, coinsurance, copayments and non-covered charges.

If you choose to use a non-participating provider for transplant services, your out-of-pocket expenses may be substantial. Therefore, it is advisable to request a pre-determination of benefits from both Empire Blue Cross and Blue Shield and United HealthCare.

Please refer to your *Empire Plan Certificate* for more information about benefits for transplant services.

## Organ Donation

For a free brochure on organ donation and a donor card, call the Coalition on Donation at 1-888-90-SHARE (1-888-907-4273).

For more information about organ donation, visit the U.S. Department of Health and Human Services Web site at [www.organdonor.gov](http://www.organdonor.gov).

## The Empire Plan Outside the U.S.

What should you do if you need health care while traveling or living outside the United States?

Here are some suggestions:

- Ask the American Embassy for names of reliable, English-speaking doctors.
- After you receive services, ask for copies of your medical records in English, if possible.
- Get an itemized receipt when you pay your bill(s).
- Submit the records to the appropriate Empire Plan carrier.

You have paid-in-full benefits for medically necessary covered services provided in an inpatient hospital setting. Pre-admission certification is not required when you are hospitalized or admitted to a skilled nursing facility outside the United States.

Carriers will consider other claims for payment under non-network coverage. Please see your *Empire Plan Certificate* for carrier addresses and information to help you file claims.

If you need more information, check our Web site at [www.cs.state.ny.us](http://www.cs.state.ny.us). Click on Employee Benefits. Or, when you're outside the United States where the Empire Plan toll-free numbers do not work, you may call the Employee Benefits Division at 518-457-5754. Employee Benefits representatives are available Monday through Friday, 9 am to 3 pm Eastern time.

## Medicare Coverage

If you are Medicare-primary, remember that you have no Medicare coverage outside the United States. The Empire Plan is primary until you return. Save your health care records and send them to the Empire Plan carriers.

If you are living permanently outside the United States, you must notify the Employee Benefits Division in writing. The State will discontinue your Medicare Part B reimbursement, and the Empire Plan will provide your primary health insurance coverage.

# New York State Health Insurance Program Reminders

## Full-Time Student Eligibility

Your unmarried dependent children are eligible for NYSHIP coverage if they are:

- age 19 or over but under age 25, and
- full-time students at an accredited secondary, preparatory or trade school, college or other educational institution, and
- otherwise not eligible for employer group coverage.

They continue to be eligible until the end of the third month following the month in which they complete course requirements for graduation, or they reach age 25, whichever occurs first.

If your dependent loses NYSHIP eligibility, you have 60 days from the date coverage ends to apply for continuation of coverage under COBRA. You must send a written request to the Employee Benefits Division within that 60-day period. And, remember to notify your agency Health Benefits Administrator.

Please see your *NYSHIP General Information Book* for more information about dependent eligibility for NYSHIP coverage and COBRA.

## Continuing Coverage in Retirement

When you retire, you may continue coverage for yourself and your eligible dependents if you meet certain eligibility requirements. A minimum service period is one of these requirements. You must have completed a minimum service period as determined by the date on which you last entered State service.

If you were last hired before April 1, 1975, you must have had at least five years of benefits-eligible State service or at least five years of combined benefits-eligible service with the State and one or more Participating Employers or Participating Agencies.

If you were last hired on or after April 1, 1975, you must have had at least 10 years of benefits-eligible State service or at least 10 years of combined benefits-eligible service with the State and one or more Participating Employers or Participating Agencies.

See your *NYSHIP General Information Book* for information about less than full-time employment and employment by a Participating Employer or a Participating Agency.

Your *NYSHIP General Information Book* explains eligibility for retiree coverage. In addition to completing the minimum service period, you must satisfy requirements for retiring as a member of a State retirement system and be enrolled in the New York State Health Insurance Program. See your Book for more information.

## Information in Another Language

The New York State Health Insurance Program offers Language Line Services (LLS), an over-the-phone language translation service for enrollees who call the Employee Benefits Division.

If you understand another language better than English and would like answers to your health insurance questions in another language, you may call the Employee Benefits Division and use LLS. You may call on your own or ask someone else acting on your behalf to call for you.

Here's how LLS works:

1. *Call the Employee Benefits Division at 518-457-5754 (Albany area) or 1-800-833-4344 (U.S., Canada, Puerto Rico, Virgin Islands).* Employee Benefits representatives are available Monday through Friday, 9 am to 3 pm.
2. *The representative will call an interpreter to translate for you.*

In most cases, the interpreter is available within 30 seconds.

A three-way conference call begins for you, the representative and the interpreter.

3. *The interpreter translates for you and for the representative.*

LLS interpreters are trained in over-the-phone translation skills. They give accurate, objective translations. All calls are strictly confidential.

# Empire Plan Reminders

## New Numbers for the Benefits Management Program

You now have new telephone numbers to call for the Empire Plan Benefits Management Program. Your Empire Plan benefits have not changed as a result of the numbers change.

**YOU MUST CALL**

If the Empire Plan is your primary coverage, you must call Empire Blue Cross and Blue

Shield at 518-367-0009 (Albany area and Alaska) or 1-800-342-9815 (NYS and other states except Alaska):

- Before a maternity or scheduled hospital admission
- Within 48 hours after an emergency or an urgent hospital admission
- Before admission or transfer to a skilled nursing facility

### Emergency Admission

Emergency admissions involve medical conditions or acute trauma such that life, limb or the body function of the patient depends on the immediacy of inpatient medical treatment. In an emergency admission, the condition requires immediate medical attention, and any delay in receiving treatment would be harmful to the patient. The patient does not have to be admitted via the emergency room to be considered an emergency admission.

### Urgent Admission

Urgent admissions involve medical conditions or acute trauma such that inpatient medical attention, while not immediately essential, should be provided very early in order to prevent possible loss or impairment of life, limb or body function.

**YOU MUST CALL**

If the Empire Plan is your primary coverage, you must call United HealthCare at 1-800-638-9918:

- Before having an elective (scheduled) Magnetic Resonance Imaging (MRI) unless you are having the test as an inpatient in a hospital

You may also call United HealthCare at 1-800-638-9918 to request a voluntary specialist consultant evaluation for any scheduled procedure.

The Benefits Management Program requirements also apply when you or your enrolled dependents have primary coverage through an HMO with secondary coverage under the Empire Plan, and you choose not to use the HMO.

If you will be admitted to a medical center or hospital operated by the U.S. Department of Veterans' Affairs, and will be using your Empire Plan benefits, you must comply with the Benefits Management Program requirements.

Empire Blue Cross and Blue Shield and United HealthCare replaced Intracorp as administrators of the Empire Plan Benefits Management Program, effective January 1, 2002. Please see your *Empire Plan Certificate* and *Empire Plan Reports* for more information about the Empire Plan Benefits Management Program.

### Your Up-To-Date Information

Be sure your provider has the accurate and up-to-date information needed to complete your claim forms. Participating and non-participating or non-network providers need your name, address and Empire Plan identification number to complete claim forms. Non-participating and non-network providers also need your signature. If information is missing or incorrect, payment for services may be delayed or denied.

## Prescriptions by Mail

Do you take any prescription medications on a long-term basis? If so, you can order your covered prescription drugs by mail from the Empire Plan Prescription Drug Program mail service pharmacy, Express Scripts Mail Service.

You can order up to a 90-day supply of your prescriptions, shipped to your home. For mail service pharmacy order forms, call Express Scripts at 1-800-964-1888 toll-free, 24 hours a day, seven days a week.

Once your prescription is on file at the Express Scripts Mail Service, you can order refills by mail, by phone or online at the Express Scripts Web site, [www.express-scripts.com](http://www.express-scripts.com). Choose the Mail Service Prescriptions Refill page. When your order is placed online, you'll know right away if your refill has been approved. And, you can check the status of your order.

If you prefer, you still may fill your prescription at an Empire Plan/Express Scripts participating pharmacy or, at a higher cost to you, at a non-participating pharmacy.

Please see your *Empire Plan Certificate* in your December 2000 *Empire Plan Report* for more information about the Empire Plan Prescription Drug Program.

### The Empire Plan NurseLine<sup>SM</sup>

The Empire Plan NurseLine offers enrollees health information and advice 24 hours a day, seven days a week. Whether you want more information about a recent diagnosis or are wondering how to stay healthy, you can call 1-800-439-3435 toll-free to talk with an experienced registered nurse or to reach the Empire Plan NurseLine's Health Information Library. For recorded messages on more than 1,000 topics, enter PIN number 335 and a four-digit topic code from the Empire Plan NurseLine brochure you received in the mail. If you need a brochure, ask the NurseLine nurse to send you one.

# New Publications

## Reporting On

We've updated two of our Reporting On publications – *Reporting On Network Benefits*, and *Reporting On Healthy Babies*. Your agency Health Benefits Administrator now has copies available. You'll also find these publications on the New York State Department of Civil Service Web site, [www.cs.state.ny.us](http://www.cs.state.ny.us). Click on Employee Benefits, then on Publications.

*Reporting On Network Benefits* (January 2002) details Empire Plan network coverage. *Reporting On Healthy Babies* (March 2002) offers information for mothers and their babies.

Your agency Health Benefits Administrator also has a supply of the new publication, *Reporting On Asthma*, included in this Report, if you'd like another copy.

## On the Road with the Empire Plan

Your agency Health Benefits Administrator has a supply of the 2002 version of *On the Road with the Empire Plan*. This handy booklet provides information and telephone numbers you'll need when you're traveling or when your child is away at school.

Ask your agency Health Benefits Administrator for your copy. Or, look for *On the Road with the Empire Plan* on the New York State Department of Civil Service Web site, [www.cs.state.ny.us](http://www.cs.state.ny.us). Click on Employee Benefits, then on Publications.

## Thinking about Retirement

We've also prepared two publications to help you plan for retirement. The November 2001 *Planning for Retirement* (which replaces the September 2000 version) explains health insurance decisions and answers benefit questions. The June 2002 *What NYS Retirees Need to Know About Medicare and NYSHIP* tells you when retirees must enroll in Medicare and how Medicare enrollment affects your New York State Health Insurance Program benefits.

If you're thinking about retirement, ask your agency Health Benefits Administrator for copies of these important publications. Or check the New York State Department of Civil Service Web site, [www.cs.state.ny.us](http://www.cs.state.ny.us). Click on Employee Benefits, then on Publications.

## Pre-Retirement Seminars

The New York State Department of Civil Service cooperates with the NYS Employees' Retirement System and the NYS Office for the Aging in presenting pre-retirement seminars. A representative from the Employee Benefits Division will explain the New York State Health Insurance Program and your choices before you leave the payroll. Call your personnel office for the seminar schedule and to reserve your place.

You can also check the schedule on the New York State Department of Civil Service Web site, [www.cs.state.ny.us](http://www.cs.state.ny.us). Click on Employee Benefits, then on Meetings & More.

DC-37 Empire Plan Report – June 2002

It is the policy of the State of New York Department of Civil Service to provide reasonable accommodation to ensure effective communication of information in benefits publications to individuals with disabilities. These publications are also available on the Department of Civil Service Web site (www.cs.state.ny.us). Click on Employee Benefits for timely information that meets universal accessibility standards adopted by New York State for NYS Agency Web sites. If you need an auxiliary aid or service to make benefits information available to you, please contact your agency Health Benefits Administrator. COBRA Enrollees: Contact the Employee Benefits Division at 518-457-5754 (Albany area) or 1-800-833-4344 (U.S., Canada, Puerto Rico, Virgin Islands).

This Report was printed using recycled paper and environmentally sensitive inks.

EPR-DC-37-02-1

# Your Plan is the Empire Plan

The New York State Health Insurance Program (NYSHIP) provides your health insurance benefits through the Empire Plan. The Empire Plan is designed especially for New York's public employees and their families by the State and employee unions.

In New York State, the Empire State, you'll hear the word "Empire" again and again, even linked to other health plans. The correct name of your health insurance plan is the Empire Plan. The correct name means correct benefits. Tell your provider you're in the Empire Plan for New York government employees.

The *Empire Plan Report* is published by the Employee Benefits Division of the State of New York Department of Civil Service. The Employee Benefits Division administers the New York State Health Insurance Program (NYSHIP). NYSHIP provides your health insurance benefits through the Empire Plan.
