This list represents brand products beginning with a capital letter and generic products are in lowercase. Prior authorization applies to both brand and generic products. Certain medications that require prior authorization based on age, gender or quantity limit specifications are not listed here. Compound drugs that have a claim cost to the Program that exceeds \$200 will require prior authorization under this Program. This list of drugs is subject to change. For the most current list of drugs requiring prior authorization, call The Empire Plan Prescription Drug Program at the number below. For more information about drugs requiring prior authorization and how to obtain it, visit Empireplanrxprogram.com or call The Empire Plan toll free at 1-877-7-NYSHIP (1-877-769-7447) and select option 4 for The Empire Plan Prescription Drug Program.

If the prior authorization review results in authorization for payment, you will receive The Empire Plan Prescription Drug Program benefits for the drug. If the payment is not authorized, The Empire Plan Prescription Drug Program benefits will not pay for the drug.

An appeal process allows you or your doctor to ask for further review if authorization is not granted. You may call the The Empire Plan toll free at 1-877-7-NYSHIP (1-877-769-7447) and select option 4 for the Empire Plan Prescription Drug Program for information on how to initiate an appeal.

Products covered by a plan member's prescription and medical benefit plan may change from time to time. In addition, a member's specific prescription benefit plan design may not cover certain products or categories, regardless of their appearance on this document at any time.
