**The Positions:** These positions exist in the New York State Education Department and are located in Albany.

**Duties:** As an **Education Program Assistant 2**, you would support programs within the State Education Department. You would assist in preparing and reviewing project proposals, reports and applications for compliance with federal and State regulations; conduct site visits; gather data and make preliminary recommendations; develop and maintain project tracking data bases; process requests and applications from students and licensed professionals; coordinate and participate in meetings, conferences, seminars and public hearings; liaise with the public and relevant stakeholders such as educational organizations and teachers; provide technical assistance to and answer questions from the public; and develop and design project proposals, administrative guidelines, forms and procedures. You may supervise Education Program Assistants 1 and/or support staff.

**Subject of Examination:** To be considered for appointment to this title, you must pass the **multiple-choice test**. The **multiple-choice test** evaluates your knowledge, skills, and/or abilities in the following areas:

1. **Educating and interacting with the public** - These questions test for knowledge of techniques used to interact effectively with individuals and/or community groups, to educate or inform them about topics of concern, to publicize or clarify agency programs or policies, to negotiate conflicts or resolve complaints, and to represent one's agency or program in a manner in keeping with good public relations practices. Questions may also cover interacting with others in cooperative efforts of public outreach or service. (Restricted).
2. **Preparing written material** - These questions test for the ability to present information clearly and accurately, and to organize paragraphs logically and comprehensibly. For some questions, you will be given information in two or three sentences followed by four restatements of the information. You must then choose the best version. For other questions, you will be given paragraphs with their sentences out of order. You must then choose, from four suggestions, the best order for the sentences.
3. **Supervision** - These questions test for knowledge of the principles and practices employed in planning, organizing, and controlling the activities of a work unit toward predetermined objectives. The concepts covered, usually in a situational question format, include such topics as assigning and reviewing work; evaluating performance; maintaining work standards; motivating and developing subordinates; implementing procedural change; increasing efficiency; and dealing with problems of absenteeism, morale, and discipline.
4. **Understanding and interpreting tabular material** - These questions test your ability to understand, analyze, and use the internal logic of data presented in tabular form. You may be asked to perform tasks such as completing tables, drawing conclusions from them, analyzing data trends or interrelationships, and revising or combining data sets. The concepts of rate, ratio, and proportion are tested. Mathematical operations are simple, and computational speed is not a major factor in the test. **You should bring with you a hand-held battery- or solar-powered calculator for use on this test.** You will **not** be permitted to use the **calculator** function of your **cell phone**.
5. **Understanding and interpreting written material** - These questions test for the ability to understand and interpret written material. You will be presented with brief reading passages and will be asked questions about the passages. You should base your answers to the questions **only** on what is presented in the passages and **not** on what you may happen to know about the topic.

If you pass, your seniority credit(s), if any, will be included in the computation of your final score. Your final score on the eligible list will be determined after adding any Veterans' credits.

**Credit For Seniority:** Seniority is credited at the rate of one credit for each five-year period (or fraction thereof), excluding the first year of service.

**Admission To The Test:** If approved for a multiple-choice test, you will receive an admission notice which will indicate your assigned test date and the way your test will be administered. Your test may be administered with paper and pencil or online at a state test site using a state-provided Chromebook. **You cannot request to change your scheduled day or request a specific type of test administration.**
