This examination is being held to fill vacancies in the New York State Department of Labor only.

Minimum Qualifications: On or before March 1, 2025, you must be a qualified employee of New York State and have had 45 days of permanent competitive, non-competitive NY HELPS*, or 55-b/55-c service as an **Auditor 1, Auditor Trainee 1, Auditor Trainee 2, Auditor 1 (Fiscal Systems), Auditor Trainee 1 (Fiscal Systems), or Auditor Trainee 2 (Fiscal Systems)**. If you have received a permanent appointment to a qualifying title listed and served provisionally** in that title immediately preceding your permanent appointment, such provisional service may be counted towards meeting the time in title required for this examination.

Only the title or titles listed are qualifying.

If you were permanently appointed to a qualifying title on or before January 15, 2025, and have served continuously in this title since that date, you are eligible to file for this examination.

**If you were permanently appointed via the New York Hiring for Emergency Limited Placement Statewide (NY HELPS) program to a qualifying title in the non-competitive class on or before January 15, 2025, and have served continuously in this title since that date, you may apply for this examination.*

***If you were permanently appointed to a qualifying title and had provisional service in the same title immediately preceding the permanent appointment, such provisional service may be counted towards meeting the time in title required to apply for this examination. Your provisional appointment must have been on or before January 15, 2025, to qualify for this examination.*

Qualifying Experience For Appointment From The Eligible List: After one year of service at the Full Performance Level, successful candidates will be qualified for appointment from the eligible list.

Employees appointed to a non-competitive position via the NY HELPS program to a qualifying title in the non-competitive class will have their names restricted from appointment from the eligible list until their position is covered-in to the competitive class by action of the New York State Civil Service Commission or otherwise obtain permanent competitive status in the position.

If you have received a permanent appointment to a qualifying title listed and served provisionally in that title immediately preceding your permanent appointment, such provisional service may be counted towards meeting the one year time in title required for appointment from the eligible list.

The Positions: These positions exist in the New York State Department of Labor ONLY and are located statewide.

Duties: As an **Auditor 2 (Unemployment Insurance)**, you would supervise Auditor 1's and support staff and perform Unemployment Insurance (UI) contribution enforcement and collection field audits; conduct quality assurance operations; and oversee federal program compliance, or other central office unit functions. You would supervise investigations in a district or branch office to determine employer liability, delinquent account collection, and unemployment insurance claimant earnings; review audit and investigation reports if assigned to a central office operation and conduct on-site district office quality assurance reviews; and review Unemployment Insurance operations for adherence to United States Department of Labor (U.S. DOL) standards.

Note:

- **Travel Requirements:** Appointment to certain positions requires extensive travel within an area of assignment. Appointees may need to operate a motor vehicle or have other means to meet the transportation needs of the job. If the position requires that you operate a motor vehicle, you must continuously have a driver's license valid in New York State to continue employment. Field work and travel expenses are reimbursed on a fixed schedule. Overnight travel may be required.

Subject of Examination: To be considered for appointment to this title, you must pass the **multiple-choice test**. The **multiple-choice test** evaluates your knowledge, skills, and/or abilities in the following areas:

1. **General auditing** - These questions test for knowledge of the principles and procedures involved in substantiating and examining transactions and financial statements. It will require knowledge of auditing techniques and Generally Accepted Auditing Standards (GAAS). Knowledge of the use of computerized accounting or auditing systems as it pertains to auditing may be required. Questions relating to internal controls applicable to manual and computerized accounting systems may be included.
2. **Preparing reports and official documents** - These questions test for the ability to prepare reports and other official documents for use within and among governmental agencies, in legal or regulatory settings, or for dissemination to the public. Some questions test for a knowledge of grammar, usage, punctuation, and sentence structure. Others test for the ability to present information clearly and accurately, to use the proper tone, and to organize paragraphs logically and comprehensibly.
3. **Understanding and interpreting tabular material** - These questions test your ability to understand, analyze, and use the internal logic of data presented in tabular form. You may be asked to perform tasks such as completing tables, drawing conclusions from them, analyzing data trends or interrelationships, and revising or combining data sets. The concepts of rate, ratio, and proportion are tested. Mathematical operations are simple, and computational speed is not a major factor in the test. **You should bring with you a hand-held battery- or solar-powered calculator for use on this test.** You will **not** be permitted to use the **calculator** function of your **cell phone**.
4. **Unemployment insurance laws, rules, regulations, guidelines and policies** - These questions will test for knowledge of Unemployment Insurance Laws, Rules, Regulations, Guidelines, and Policies in effect as of January 1, 2025, including Unemployment Insurance Referee, Unemployment Insurance Appeal Board and court decisions (as clarified by the Department of Labor's Interpretation Services Manual), relating to Unemployment Insurance Tax Liability, penalties and collection.
5. **Supervision** - These questions test for knowledge of the principles and practices employed in planning, organizing, and controlling the activities of a work unit toward predetermined objectives. The concepts covered, usually in a situational question format, include such topics as assigning and reviewing work; evaluating performance; maintaining work standards; motivating and developing subordinates; implementing procedural change; increasing efficiency; and dealing with problems of absenteeism, morale, and discipline.

If you pass, your seniority credit(s), if any, will be included in the computation of your final score. Your final score on the eligible list will be determined after adding any Veterans' credits.

Credit For Seniority: Seniority is credited at the rate of one credit for each five-year period (or fraction thereof), excluding the first year of service.

Admission To The Test: If approved for a multiple-choice test, you will receive an admission notice which will indicate your assigned test date and the way your test will be administered. Your test may be administered with paper and pencil or online at a state test site using a state-provided Chromebook. **You cannot request to change your scheduled day or request a specific type of test administration.**
