Promotion examination open to all qualified employees of the New York State Department Of Transportation.

Minimum Qualifications: On or before April 5, 2025, you must be a qualified employee of the New York State Department of Transportation and have had three months of:

For Exam No. 31-131020: Permanent non-competitive service as Bridge Repair Mechanic, Trades Specialist (Bridge), or Bridge Repair Assistant.

For Exam No. 31-132020: Permanent competitive, non-competitive NY HELPS*, or 55-b/55-c service as a Bridge Repair Supervisor 1. If you have received a permanent appointment to a qualifying title listed and served provisionally** in that title immediately preceding your permanent appointment, such provisional service may be counted towards meeting the time in title required for this examination.

Only the title or titles listed are qualifying.

If you were permanently appointed to a qualifying title on or before January 5, 2025, and have served continuously in this title since that date, you are eligible to file for this examination.

For Exam No. 31-132020:

***If you were permanently appointed to a qualifying title and had provisional service in the same title immediately preceding the permanent appointment, such provisional service may be counted towards meeting the time in title required to apply for this examination. Your provisional appointment must have been on or before January 5, 2025, to qualify for this examination.*

**If you were permanently appointed via the New York Hiring for Emergency Limited Placement Statewide (NY HELPS) program to a qualifying title in the non-competitive class on or before January 5, 2025, and have served continuously in this title since that date, you may apply for this examination.*

Qualifying Experience For Appointment From The Eligible List: After one year of service described in the Minimum Qualifications, successful candidates will be qualified for appointment from the eligible list.

Employees appointed via the NY HELPS program to a qualifying title in the non-competitive class will have their names restricted from appointment from the eligible list until their position is covered-in to the competitive class by action of the New York State Civil Service Commission or otherwise obtain permanent competitive status in the position.

If you have received a permanent appointment to a qualifying title listed and served provisionally in that title immediately preceding your permanent appointment, such provisional service may be counted towards meeting the one year time in title required for this examination.

Continued Employment: At the time of appointment and continuously thereafter, you will be required to have a valid New York State Class A or B Commercial Driver's License with no air brake restriction.

The Positions: These positions exist in the New York State Department of Transportation and are located statewide.

Duties: As a **Bridge Repair Supervisor 1**, you would assist in the overall supervision of the skilled and unskilled workers who maintain and repair both high-level and low-level bridges. You would coordinate the activities of various sized work crews according to project needs and be responsible for adherence to schedules, as well as all appropriate safety requirements. You might perform duties related to the preventative and regular maintenance, repair, replacement, reconstruction, inspection, and rehabilitation of bridges assigned to the crew. You would also perform the duties of a Bridge Repair Supervisor 2 in their absence. You will be required to supervise and/or perform snow and ice control activities.

As a **Bridge Repair Supervisor 2**, you would plan, organize, and schedule the activities of bridge repair crews. You would estimate materials, equipment, and labor requirements and prepare reports on programs and accomplishments. You may assist in condition inspections of bridges. You will be required to supervise and/or perform snow and ice control activities.

Notes:

1. In accordance with Section 52.11 of the Civil Service Law, individuals serving permanently in the non-competitive or labor class in a qualifying title (including those serving under Section 55b/c) who otherwise meet the requirements for taking the examination are eligible to compete in this promotion examination.
2. The Bridge Repair Supervisor 1 examination is being held on a promotion and open-competitive basis. If you are admitted to the promotion examination under anticipated eligibility (i.e., you do not have the required one year of Qualifying Experience For Appointment From The Eligible List) and if you meet the open-competitive minimum qualifications, you may also be admitted to the open-competitive examination. To be admitted, you must apply for the open-competitive examination according to the instructions given on the open-competitive announcement. Once you meet the required one year of qualifying service for appointment from the promotion list, you will not be eligible for appointment from the open-competitive eligible list.

Subject of Examination: To be considered for appointment to this title, you must pass the multiple-choice test . The multiple-choice test evaluates your knowledge, skills, and/or abilities in the following areas:	For Examination Nos.	
	31-131020	31-132020
1. Safety practices - These questions test for knowledge of and the ability to apply safety principles related to public works construction zones, including traffic control, safe use of equipment, and the overall safety of workers, the traveling public, and the work environment.	X	X
2. Plans, specifications, and technical instructions - These questions test for the ability to understand, analyze, and perform computations based on technical drawings and written presentations related to public works projects. All the information needed to answer the questions will be provided in the written material and/or drawings.	X	X
3. Supervision - These questions test for knowledge of the principles and practices employed in planning, organizing, and controlling the activities of a work unit toward predetermined objectives. The concepts covered, usually in a situational question format, include such topics as assigning and reviewing work; evaluating performance; maintaining work standards; motivating and developing subordinates; implementing procedural change; increasing efficiency; and dealing with problems of absenteeism, morale, and discipline.
